ROOMS ❖ CONTEMPORARY CURVES

Verónica Volani Inza, ASID, designed this modern breakfast room to have a comfortable and inviting feeling at all times. The elegant Antoine Proulx zebrawood table with bronze metallic legs, and the Klismos chairs in French blue leather keep the room simple and fresh. The contrasting colors of the bright Murano Glass “Lily” light fixture and the blue hues create the vibrant and warm atmosphere. *Smith and Moore Architects Inc., West Palm Beach (561-833-3959, smithmoorearchitects.com)*
